Selection Structured

ITERATIVE STRUCTURED

The screenshot displays a series of quiz questions in a learning management system. The questions are organized into two main sections: Selection Structures and Iterative Structures.

Selection Structures:

- Step 1: If Statement**
 - Topic: Conditional
 - Question: **If Statement Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 20/20
 - Buttons: Next
- Step 2: If-else Statement**
 - Topic: Conditional
 - Question: **If-else Statement Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 20/20
 - Buttons: Next
- Step 3: If-else If-else Statement**
 - Topic: Conditional
 - Question: **If-else If-else Statement Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 20/20
 - Buttons: Next
- Step 4: switch Statement**
 - Topic: Conditional
 - Question: **switch Statement Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 20/20
 - Buttons: Next
- Step 5: Nested Decision**
 - Topic: Conditional
 - Question: **Nested Decision Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 0/20
 - Buttons: Next

Iterative Structures:

- Step 1: While Loop**
 - Topic: Conditional
 - Question: **While Loop Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 20/20
 - Buttons: Next
- Step 2: Do-while Loop**
 - Topic: Conditional
 - Question: **Do-while Loop Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 20/20
 - Buttons: Next
- Step 3: For Loop**
 - Topic: Conditional
 - Question: **For Loop Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 20/20
 - Buttons: Next
- Step 4: Nested Loop**
 - Topic: Conditional
 - Question: **Nested Loop Activity** (Open book, discussion, or write) (You have approximately 30 seconds)
 - Score: 0/20
 - Buttons: Next
